Dear Sebeka Staff, Students and Community,

On 10/25/23 Menahga Public School received some information from law enforcement. They took some simple safety precautions. When we received the information we took safety precautions as well. You can read Menahga's statement in regards to this issue on their school website.

Law enforcement, as well as our staff, continue to support our safety so school can continue as normal. We will continue to prioritize a safe learning environment and appreciate your support and understanding.

Please feel free to contact us with any concerns or questions.

Best wishes,

Dave Kerkvliet  
Superintendent
