National School Nurse Day is an annual celebration that recognizes and appreciates the invaluable contributions of school nurses to the health and well-being of students. In 2024, let's take a moment to honor these everyday heroes who play a crucial role in maintaining a safe and healthy learning environment for our children. We here at Sebeka Public School would like to express our gratitude to Mrs. Nicole Johnson for all she does to keep our students and staff performing their very best and in keeping our schools healthy and safe! Thank you, Mrs. Nicole Johnson! We would also like to extend a thank you to our health office assistant, Becky Pierson for helping our students, and the Nurse, when she is not available.
